GOVERNMENT OF INDIA.

DEPARTMENT OF COMMERCE.

Simla, the 17th May 1940.

PRESS COMMUNIQUE.

The trading with the Enemy provisions of the Defence of India Rules apply to any area which is in occupation of a Power with whom His Majesty is at War. At the present time the Netherlands (excepting the Province of Luxemburg) are in German occupation and commercial, financial or other intercourse or dealings with persons or concerns in those countries are prohibited without express authority. This prohibition does not apply to dealings with the Overseas Dependencies of the Netherlands so long as business with those Dependencies does not involve intercourse with the Netherlands proper. Under present conditions the greatest caution should also be exercised in regard to transactions with any part of Belgium. No remittances should be made in respect of existing commitments and no new commitments should be entered into with persons or concerns in any part of Belgium without previous consultation with the Commerce Department of the Government of India.
